

ICES 14th Annual TALENT SHOWCASE

Get ready kids.....because it's time for the 14th Annual ICES Talent Showcase!
The Talent Showcase will be held on Thursday, March 7, 2019 from 6:00-8:30pm
at the Irwin County Auditorium to celebrate "Music In Our Schools Month."

ANY student (K-5) interested in showing off their talent must fill out an application (on the back) AND audition (February 20). We only have so many slots to fill for the show due to time constraints. All acts must be approx. 3 minutes or less. The talents can include singing, dancing, playing recorder, guitar, piano, magic tricks, gymnastics, Tae Kwan Do demonstrations, step dancers, cheerleading routines, etc. Anything you can perform on stage. It has to be YOUR talent! You must have all of your materials and costumes at the audition. Only ICES students may participate in the Talent Showcase. All acts will be screened at the audition for preparedness, appropriateness, presence in front of audience, and is it entertaining.

➡ Due to the large number of students interested in auditioning, they will only be allowed to audition for ONE small group act. If the teacher is putting together a large group act with the entire class, the student may also audition for a small group. This will give more students the opportunity to be in the show. Please email me if you have any questions.

No one is guaranteed to be in the show.

If a song or act has ANY references to drugs, alcohol, violence, sex, or disrespect to any group including racism or sexism, it will NOT be in the Talent Showcase.

Please check lyrics (www.azlyrics.com) to your child's song and make sure it is AGE APPROPRIATE. If you wouldn't do it, sing it, or dance to it in front of a preacher or the President, it won't cut it at school.

**This is NOT a contest, it is a talent demonstration;
there will be NO "winners."**

*******Auditions will be February 20*******

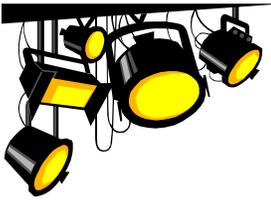

We will be having after school rehearsals at the Auditorium for those that make the show. At least ONE practice will be mandatory.

Please keep in mind that other sports will be going on during this time. I need those trying out to totally commit to being prepared for their audition, practices and available the night of the Talent Showcase. Backing out later because of a game is NOT acceptable.

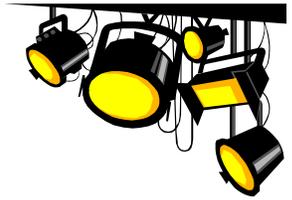

There are plenty of kids that would love to have that spot in the show!

If you have any questions about what you are doing and whether it is acceptable, see or contact Mrs. Hodnett at 468-9476 or dhodnett@irwin.k12.ga.us.
