

**2018-2019**  
**ICES Reading Partners**  
**Today a Reader, Tomorrow a Leader**

Irwin County Elementary School is committed to excellence! Our overall goals are to keep our children safe, help them feel loved, and assist them in achieving their highest potential. In efforts to see our children reach their goals, we are planning numerous activities for the 2018-2019 school year to reward our students for their accomplishments. To support our efforts, ICES is offering Reading Partnerships that will be used solely to support **student** incentives, programs and materials.

When you partner with us, your donation of \$50 will purchase an ICES Reading Partner sign with a name on it that will be displayed in our hallways. Our students would be so proud to see their name on a sign and know that they are helping our school. Additionally, our students, staff, and community will constantly be reminded of your support for our children.

At the end of the 2018-2019 school year, you will be given your sign as a keepsake of your support. You may purchase as many partnerships as you like. Limit of 1 name per sign.

To help get our new Reading Partnerships off to a great start, we are going to offer our partnerships for the remainder of this school year. For those who choose to purchase your partnership now, the signs will be printed during the summer and will be posted in our hallways when we begin school August. Examples of the signs are on display in our front office.

If you are interested in purchasing a partnership, please complete the form below and return it to school along with your \$50 donation. Thank you for helping support our students through recognition of their accomplishments and helping to provide special experiences for them as they reach their full potential!
